SPEAKER MOUNT BRACKET

SP-301

■DESCRIPTION

The SP-301 Speaker mounting bracket is used to mount a horn speaker to a wall.

Note: For added safety, reinforce mounting brackets and mounting bands when installing a speaker in a location that will be exposed to significant vibration and/or strong wind. It is also recommended that the installed speaker, mounting brackets, and mounting bands be checked periodically to assess potentially dangerous excessive wear and/or loose connections.
